NEW BUSINESS

- DLD LID counter offer
  - Roger referenced the counter offer by the DLD LID Board and first solicited comments from the guests at the meeting, followed by comments from the Board members. - Mike Opat from Moore Engineering
  - discussed the fact the old offer expired and is not part of the new offer
  - Nothing was filed with the County by the deadline regarding the EAW

- A motion was made by Joe and seconded by Jim to add Tap-In-Fee Committee language to the current plan with a deadline of August 13<sup>th</sup> for DLD to accept. Motion passed
